## Become a carvelo godparent

Do you like to ride your local Carvelo and know how to use a pump? Then help us to keep your bike in the neighbourhood in a good, clean condition. In big cities (Basel, Bern, Geneva, Lausanne, Lucerne, Winterthur and Zurich) people from social institutions take care of this basic maintenance. In smaller towns, we want to work with people from our community - and this is where you come in!

### Your tasks

- Check the Carvelo according to a predefined checklist, ideally five times a year (February, April, June, August, October)
- Clean handlebars, saddle and transport box
- Pump tyres
- Test drive (can also be during private use)
- Notification of the carvelo team whether the controlled Carvelo needs a major service or a professional repair

### Our wish

You don't need mechanical skills for this work, but you do need a good eye and a careful, reliable way of working.

### Our counterpart

- Annual carvelo subscription (worth CHF 90) which gives you a 50% discount on all rentals
- 2 hours per month free of charge, for own transport needs

### Contact us!

Are you interested? Then we look forward to hearing from you, either by e-mail to [info@carvelo.ch](mailto:info@carvelo.ch) or by telephone: 058 827 34 14.
