With support of

## Become a carvelo host

We are looking for suitable locations for our service and are happy to hear from interested companies/businesses. As a host, you will look after a Carvelo in our fleet and hand it over to our users. Our carvelo team will take care of the management and rental of the Carvelo as well as the hotline. There are no costs for you as a host.

## Tasks of a host

- Handover of key & battery to the users (according to experience not more than 3-5 times per week)
- Charging the battery between uses
- Feedback to our team if intervention is necessary

## Requirements

- Opening hours as generous as possible
- Possibility to receive e-mails (reservation messages)
- A clearly visible location for the bike (can also be a public bike parking area)

## Advantages

- Free use for own transports (max. 25h/month)
- On the Carvelo we place a sticker with the address of your company/business
- Mention on the carvelo website and in our networks
- New customer contacts
- 24/7 access to your own Carvelo
- Your business can position itself as an environmentally conscious, forward-looking and innovative company

Thanks to carvelo, we at the KULT bakery can easily use a Carvelo and share it with our customers. Booking, billing and insurance work without any effort on the part of the bakery. We really love our bike, especially for deliveries or transports between our shops!
