

# carvelo

eCargobike-Sharing

## carvelo for municipalities

carvelo is a service offered by

Technology partners:

RIESE & MÜLLER

**BOSCH**  
Technik fürs Leben

With support of

## Join carvelo as a municipality

As a „carvelo“ city or municipality, you set an example in terms of sustainable mobility and gain the following advantages:

- You create a practical mobility offer for the population, local businesses, associations and the municipal administration.
- You position yourself as a future-oriented municipality and make this visible.
- You receive points of the „Energy City“ label in the area of combined mobility.

## Our services

- Carvelo branding on the side panels of the luggage rack (both sides) and on the inside surface of the cargo box
- Operation of the Carvelos on the carvelo platform: acquisition of locations and hosts, support of hosts, coordination with authorities, operation of customer service, maintenance and servicing of the Carvelos
- Mention of the municipality as a regional implementation partner
- To be negotiated: special conditions for municipality/city employees, further added value

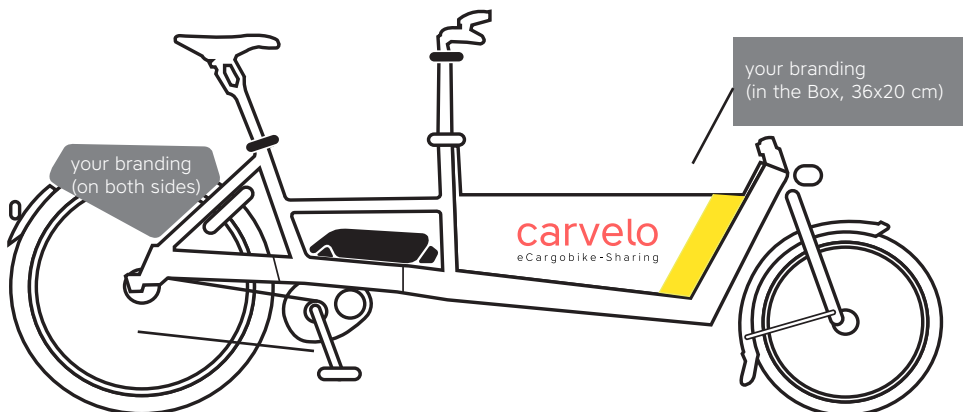

## Costs

**CHF 2'700** per Carvelo (incl. VAT) per year

Minimum duration: three years

Price for multiple Carvelos on request. The price includes the labelling costs.

## The branding concept

carvelo - the sharing platform for electric cargo bikes of the TCS Mobility Academy
