With support of

# Give your event a special touch with the electric cargo bikes by Riese & Müller!

The Carvelos guarantee environmentally friendly and efficient transport. They are ideal for festivals, neighbourhood festivals, promotions or bike fairs, they facilitate logistics, are suitable for car-free areas and serve as advertising space.

Hire our Carvelos at attractive conditions and customise them with your own branding if you wish.

Our Carvelos offer numerous advantages:

**Eco-friendliness:** No emissions, low-noise operation and CO2-neutral deliveries.

**Flexibility:** Easy to manoeuvre and can be used in high-traffic areas.

**Transport capacity:** Generous loading area (max. 100 kg) for transporting goods, advertising materials or equipment.

**Brand presence:** Customisable advertising spaces offer the opportunity to present your own brand and attract the attention of participants.

“

The Carvelo was an absolute asset to our event! Not only did it significantly simplify the logistics, it also made a positive contribution to sustainability. The flexibility and versatility of the Carvelo impressed us and made it an indispensable element of our event.
